SIDES FOR JAY (LATE NIGHT TV HOST  
JAY=a late night TV talk show host

LATE NIGHT TV HOST  
You've heard about her... you've  
read about her....to hell with it,  
you wanna *be* her! Well, we've got  
her! Right here! Right now! The one  
and only *Mandy Baker!*

She enters, waves to the audience, then sits, to wild  
applause.

LATE NIGHT TV HOST  
So Mandy. You're a housewife. And a  
med student. And run three  
charities. And in your spare time,  
you take care of three daughters  
and a husband. And - can I say it?  
- you're forty, and you look a wee  
bit younger. (applause) What's your  
secret?

MANDY  
Faith in God, darling. And a little  
pact with the devil. (laughs)  
There's no secret, honestly. It's  
about supplements, and  
exercise. Anyone can do it. It's  
all in my book.

She holds up a book, *Do it! Do it! Do it!* Audience applauds.  
He takes it from her, turns it to show the back cover to the  
camera.

LATE NIGHT TV HOST  
This is, what, your high school  
graduation picture? You look better  
today, if anything. I'm gonna get  
this woman's secret. (winks at the  
camera) Let's hear it for Mandy  
Baker!

Music comes up, and wild applause. Voice: "Tonight Tomorrow  
was filmed earlier today, in front of a live audience."
